Ship Repairers BAE Systems and Marine Group

Ashton, David to: Lori Cora

03/04/2010 02:49 PM

Cc: "Robert Foster", "Gross, John", "Seeger, Andrea"

Lori, wanted to make sure you were tracking this local federal court litigation. In paras 4 and 30 of their Answer, BAE Systems and Marine Group admit they are the successors to Northwest Marine Iron Works and Southwest Marine. Adding the original plaintiff insurance company, they are now suing 27 insurance companies over their pollution of the Portland Shipyard and Swan Island Lagoon. They are either worried or taking many precautions.
